## Stop Over

The Moti Dungri Ganesh Temple was constructed by Seth Jai Ram Paliwal in the early eighteenth century, and continues to be one of the most popular tourist destinations in Jaipur. Situated in the heart of Jaipur, the Moti Dungri temple is perched on a small hill, and is surrounded by an exotic palace. In the recent past, the palace was home to Rajmata Gaytri Devi, but now, the palace is locked to public, with the temple being the only tourist location. The highlight of this place is the famous and auspicious temple of Lord Ganesha, which is frequently visited by the inhabitants of Jaipur, and other tourists from around the world. In modern times, it is said that thousands of devotees flock the temple on a daily basis and it is considered to be one of the most important religious structures in Jaipur. The temple is nestled by the beautiful palace, called the Moti Dungri palace, which is an imitation of a popular Scottish castle.
